Salian?!

Santaastic
骑士幻想夜
Knight's Night

It's exact what Merlin described.
From its chest up, it has the form of
women, below it's the sparrow's.

open mouth——

LIN LING,
COVER YOUR EARS
!

Salian has such a beautiful voice
that lures people to their death
with a bewitching song. They
would lose their touch with reality,
and fall into a trance of
a state of hallucination.

There're a few
people who could resist
her singing.

Lin Ling,
hurry and say out
loud the spells I
taught you!

Merlin?

YOU HAVE
SUCH A
BEAUTIFUL
VOICE.

YOUR
SINGING VOICE
IS TRAVELLING
THROUGH
SPACE AND
TIME.

LIKE A WIND,

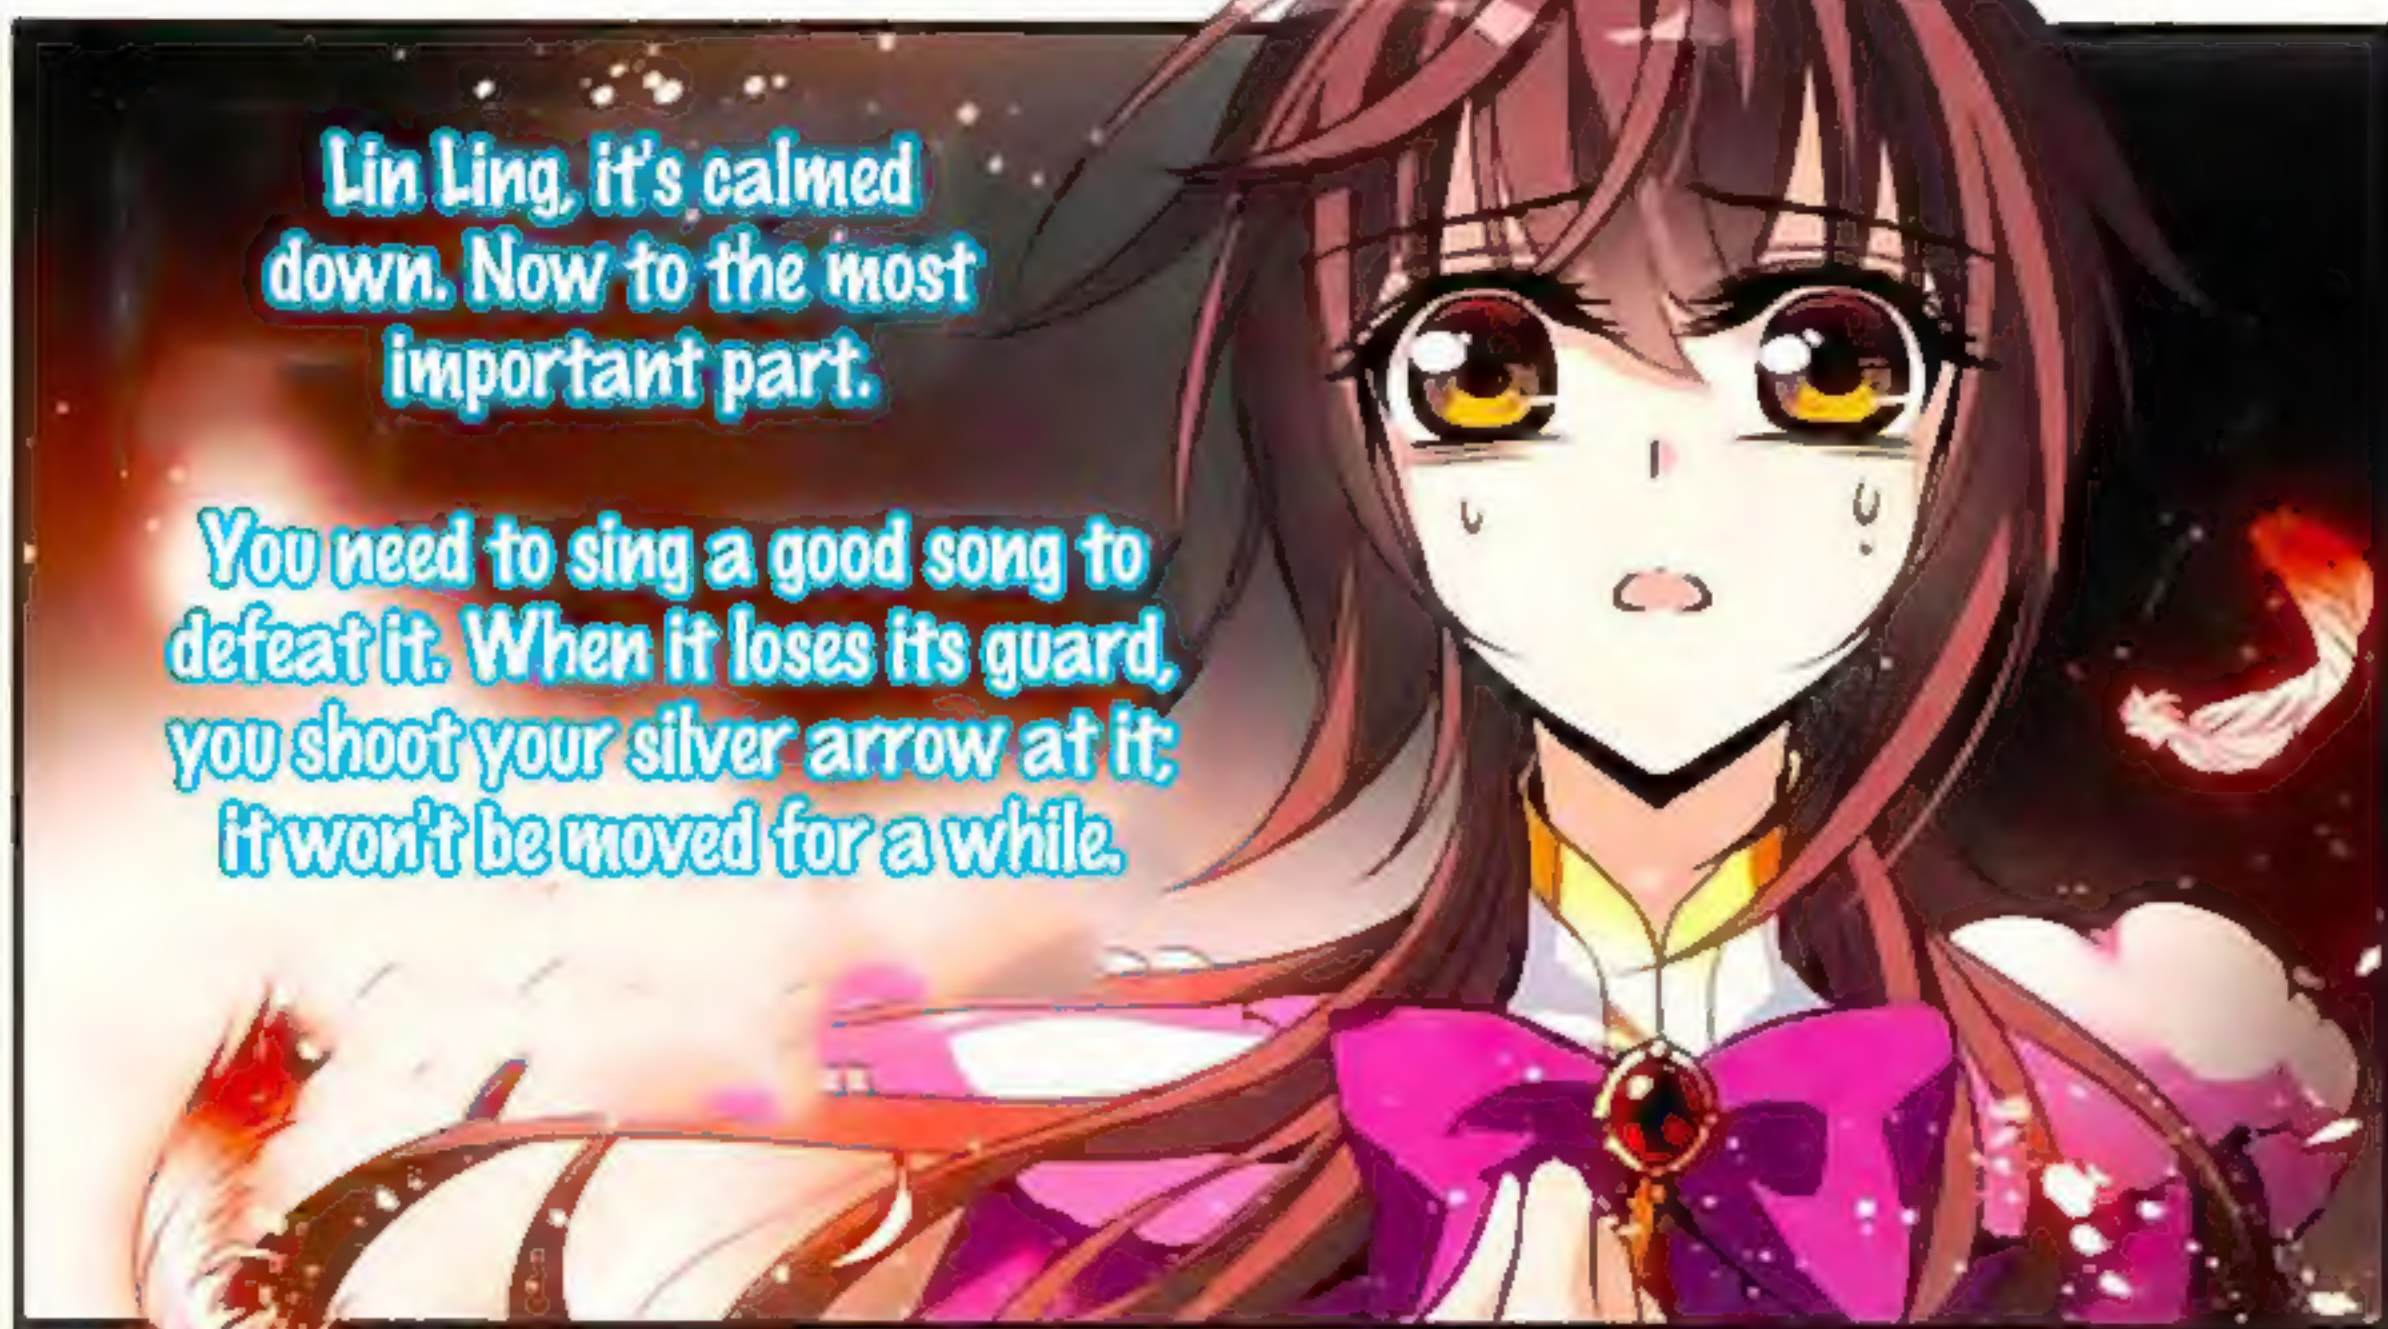

WHAT A CLEAR
VOICE UNDER FULL
MOON.

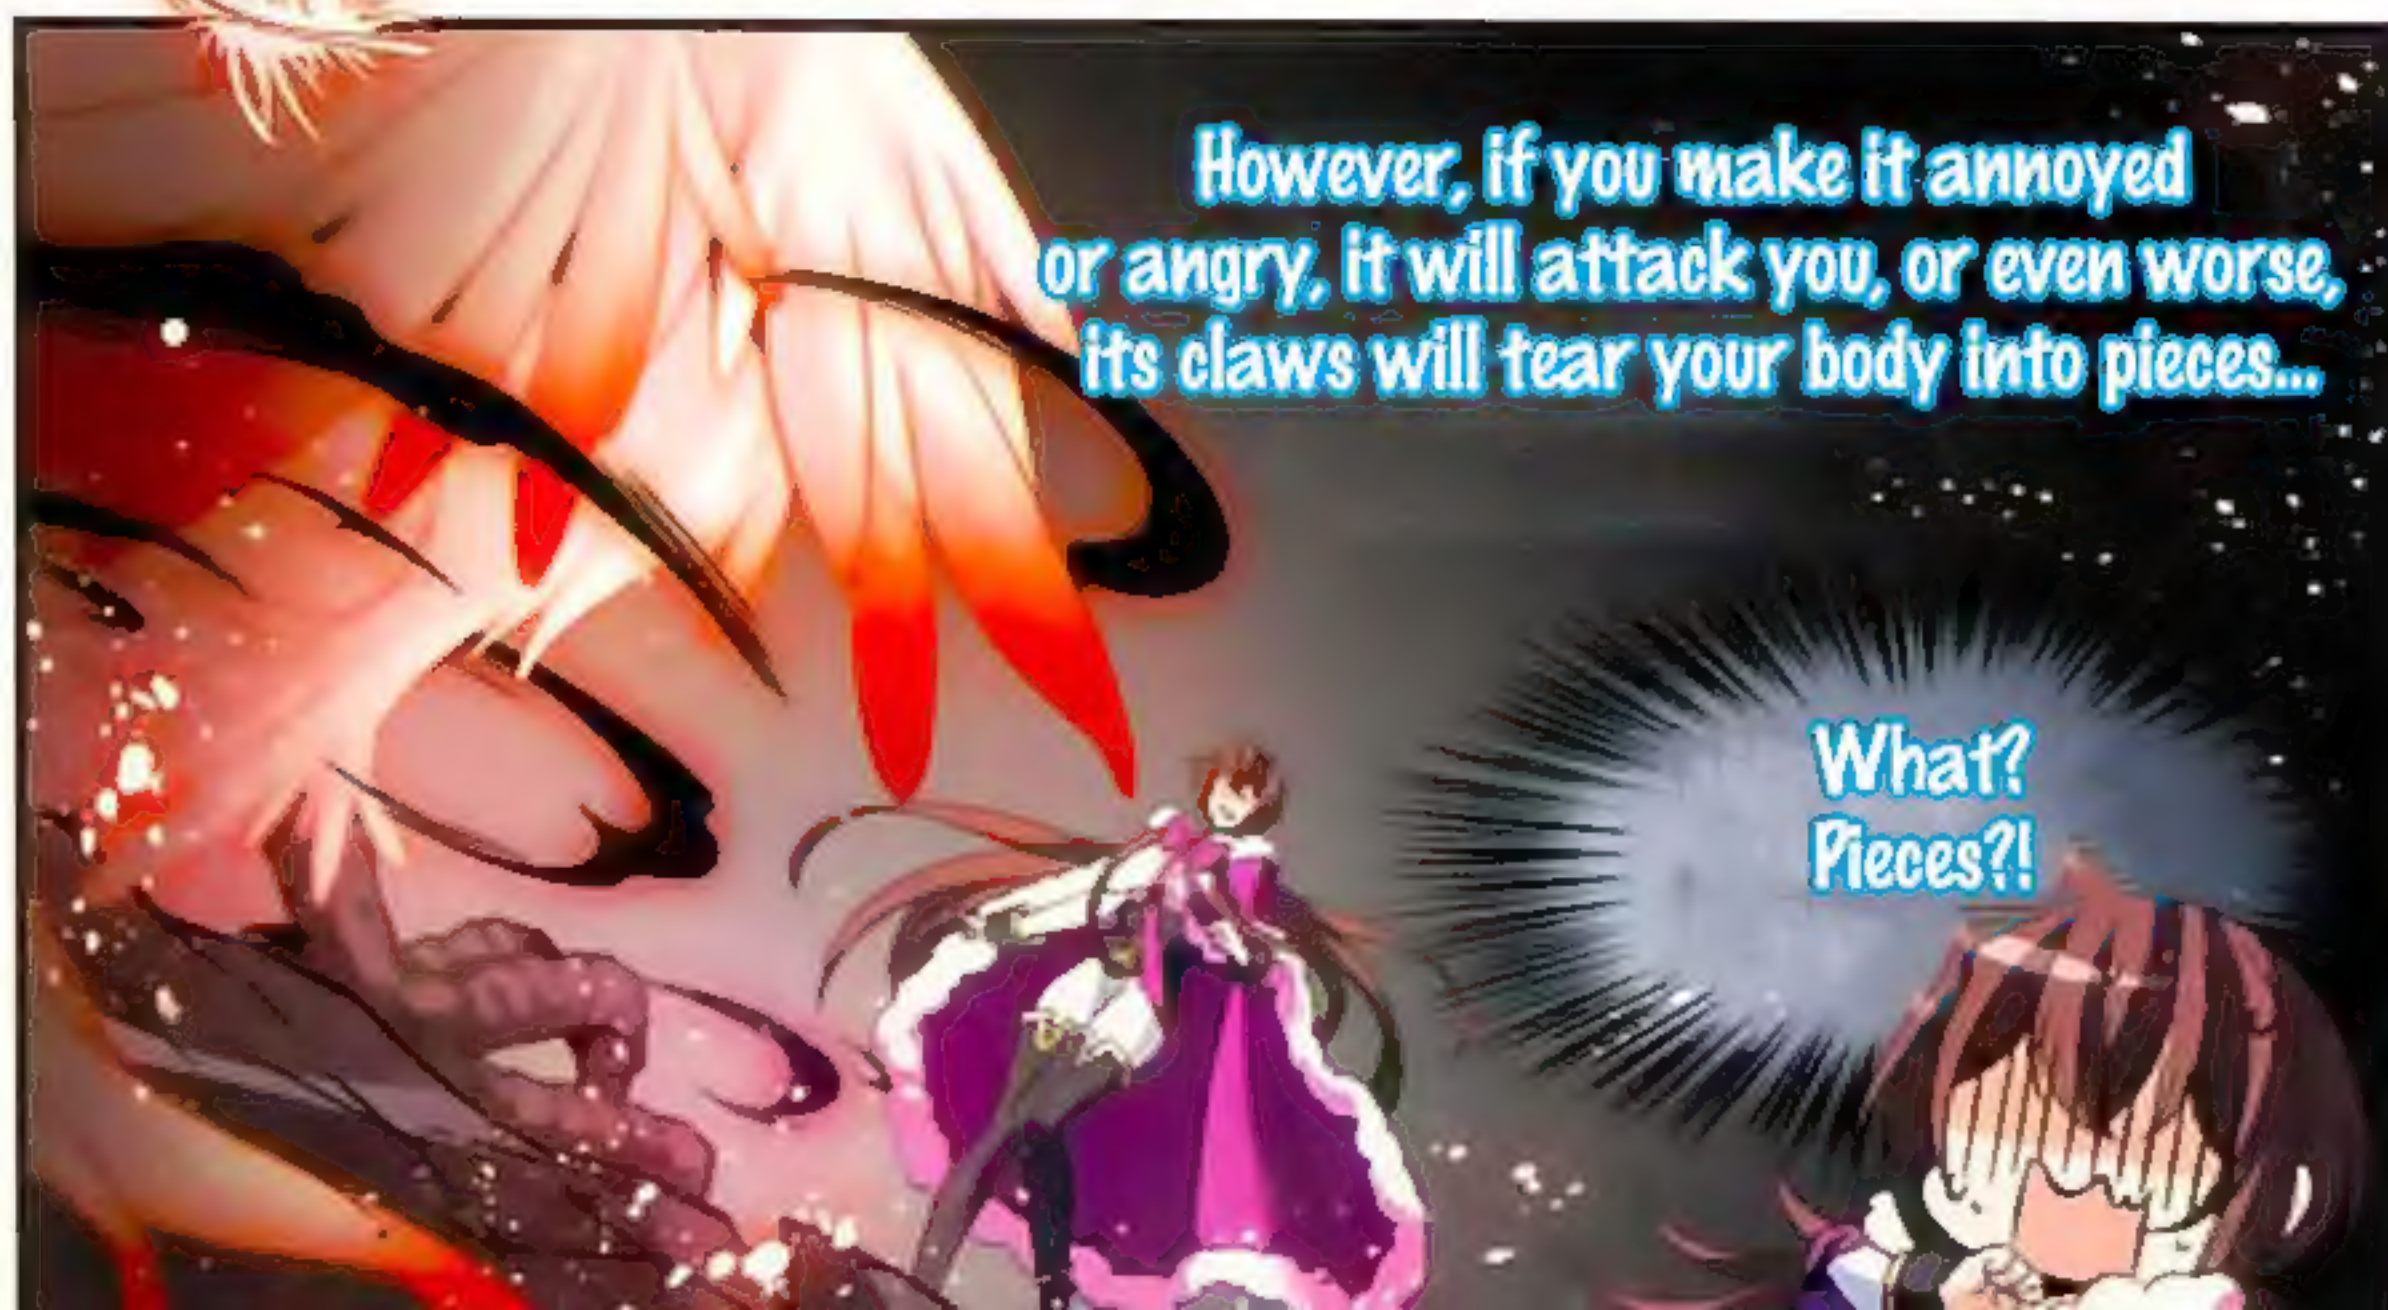

Lin Ling, it's calmed down. Now to the most important part.

You need to sing a good song to defeat it. When it loses its guard, you shoot your silver arrow at it; it won't be moved for a while.

However, if you make it annoyed or angry, it will attack you, or even worse, its claws will tear your body into pieces...

What?
Pieces?!

No, whatever happens...

I must get a sacred seed.
Even if it's dangerous, I have
to give it a try.

Now, shouldn't
I be happy this
game is a Chinese
version...
If it's in English,
I'm doomed.

COUGH COUGH

你、你是我的小

变色——

Damn it! Her eyes
are turning red!

Merlin said when it's angry, its eyes will turn to red. Wait until they become crimson, it becomes more crazy!

灵光一闪

Right, Right!
I should try that
song as well!

蓝天里有阳光，
树林里有花香，

小鸟小鸟，
你自由地飞翔。

在田野，在草地，
在湖边，在山岗，

小鸟小鸟迎着
春天歌唱。

爱春天，爱阳光，
爱湖水，爱花香，

小鸟小鸟我的好朋友，
让我们一起飞翔歌唱。

我们一起飞翔
歌唱.....

I did it!
Her eyes are
now green!

Such primary school's
song my mom taught
me is very useful.

XIAO

So Salian has
a heart of a kid.

What a perfect aim!
